For an 18 Inch Doll

- 1) Place right sides together and sew the side seam.
- 2) Sew the hem.
- 3) Make a casing for the elastic by folding the top down $\frac{3}{4}$ of an inch and sewing around it...leave an opening to insert the elastic. (If you use elastic wider than $\frac{1}{2}$ inch then you need to fold the top down farther)
- 4) Insert the elastic by using a safety pin to slide it through.
- 5) Make sure it fits the doll.
- 6) Sew the casing shut.
