

To Sweep the Earth as with a Flood...

"Every discovery in science and art, that is really true and useful to mankind has been given by direct revelation of God, though few acknowledge it."
-Brigham Young

"Digital technologies should be our servants and not our masters." M. Russell Ballard

"I invoke this blessing upon you:...that you may increase in your capacity to use these inspired tools [technology] appropriately, and that you may receive inspiration and guidance about the role you should play in helping to sweep the earth as with a flood of truth and righteousness." -David A. Bednar

"May our ^{many} small individual efforts produce a steady rainfall of righteousness and truth that gradually swells a multitude of streams and rivers—and ultimately becomes a flood that sweeps the earth."

-David A. Bednar
